

ezimove.com Limited

Media Release
14 May 2007

Groundbreaking online cargo insurance website www.ezimove.com was launched March 2005.

Two years later, the website has undergone a complete makeover and re-launched with major improvements in benefits provided.

The "ezimove" Service Guarantee has been extended worldwide, and household goods in transit moving overseas are now fully completed online. Also, the range of goods insurable has been extended to include "livestock" and "fresh, chilled, frozen product". Further additions to the range of covers are planned.

Payment by direct credit has been added to the Visa and Mastercard options.

Peter Garrett, Managing Director for ezimove.com Limited:
www.ezimove.com was the first website in New Zealand to offer business to consumer cargo insurance on a global basis online, and is still the only one.

"ezimove" provides simple and cost effective cargo insurance online locally and internationally.

What makes us different is that goods in transit insurance is available 24/7, and is backed by our service guarantee.

ezimove.com Limited is partnered by Vero Insurance New Zealand Limited which underwrites our policies exclusively, and by GAB Robins Loss Adjusters which offers a 24/7 claims service in NZ. No forms are required for claims being settled in NZ.
